Safety Precautions

	CAUTION RISK OF ELECTRIC SHOCK DO NOT OPEN	
WARNING: To reduce the risk of electric shock, do not remove cover or back. No user-serviceable parts inside. Refer servicing to qualified service personnel.		

The lightning flash with arrowhead within a triangle is intended to tell the user that parts inside the product are a risk of electric shock to persons.

The exclamation point within a triangle is intended to tell the user that important operating and servicing instructions are in the papers with the appliance.

Note to CATV System Installer

This reminder is provided to direct the CATV system installer's attention to Article 820-40 of the NEC that provides guidelines for proper grounding and, in particular, specifies that the cable ground shall be connected to the grounding system of the building, as close to the point of cable entry as practical.

Secure Ventilation

Slots and openings in the cabinet and the back or bottom are provided for ventilation, and to ensure reliable operation of the LCD TV and to protect it from overheating. These openings must not be blocked or covered. There should be at least 4 inches (10 cm) of space around the TV. The openings should never be blocked by placing the LCD TV on a bed, sofa, rug or other similar surface. This LCD TV should not be placed in a built-in installation such as a bookcase unless proper ventilation is provided.

Important Safety Instructions (TV set)

- 1) Read these instructions.
- 2) Keep these instructions.
- 3) Heed all warnings.
- 4) Follow all instructions.
- 5) Do not use this apparatus near water.
- 6) Clean only with dry cloth.
- 7) Do not block any ventilation openings. Install in accordance with the manufacturer's instructions.
- 8) Do not install near any heat sources such as radiators, heat registers, stoves or other apparatus (including amplifiers) that produce heat.
- 9) Do not defeat the safety purpose of the polarized or grounding-type plug. A polarized plug has two blades with one wider than the other. A grounding type plug has two blades and a third grounding prong. The wide blade or the third prong are provided for your safety. If the provided plug does not fit into your outlet, consult an electrician for replacement of the obsolete outlet.
- 10) Protect the power cord from being walked on or pinched particularly at plugs, convenience receptacles, and the point where they exit from the apparatus.
- 11) Only use attachments / accessories specified by the manufacturer.
- 12) Use only with the cart, stand, tripod, bracket or table specified by the manufacturer, or sold with the apparatus. When a cart is used, use caution when moving the cart / apparatus combination to avoid injury from tip-over.
- 13) Unplug this apparatus during lightning storms or when unused for long periods of time.
- 14) Refer all servicing to qualified service personnel. Servicing is required when the apparatus has been damaged in any way, such as power-supply cord or plug is damaged, liquid has been spilled or objects have fallen into the apparatus, the apparatus has been exposed to rain or moisture, does not operate normally, or has been dropped.
- 15) Operate only from the type of power source indicated on the marking label. If you are not sure of the type of power supplied to your home, consult your television dealer or local power company.
- 16) Follow all warnings and instructions marked on the LCD TV.
- 17) Never push objects of any kind into this LCD TV through cabinet slots as they may touch dangerous voltage points or short out parts that could result in a fire or electric shock. Never spill liquid of any kind on the LCD TV.
- 18) If an outside antenna is connected to the television equipment, be sure the antenna system is grounded so as to provide some protection against voltage surges and built up static charges. In the U.S. Section 810-21 of the National Electrical Code provides information with respect to proper grounding of the mast and supporting structure, grounding of the lead-in wire to an antenna discharge unit, size of grounding conductors, location of antenna discharge unit, connection to grounding electrodes, and requirements for the grounding electrode.
- 19) An outside antenna system should not be located in the vicinity of overhead power lines, other electric light, power circuits, or where it can fall into such power lines or circuits. When installing an outside antenna system, extreme care should be taken to keep from touching such power lines or circuits as contact with them might be fatal.
- 20) Unplug this LCD TV from the wall outlet and refer servicing to qualified service personnel under the following conditions:
 - a. When the power cord or plug is damaged or frayed.

- b. If liquid has been spilled into the LCD TV.
 - c. If the LCD TV has been exposed to rain or water.
 - d. If the LCD TV does not operate normally by following the operating instructions.
Adjust only those controls that are covered by the operating instructions as improper adjustment of other controls may result in damage and will often require extensive work by a qualified technician to restore the LCD TV to normal operation.
 - e. If the LCD TV has been dropped or the cabinet has been damaged.
 - f. When the LCD TV exhibits a distinct change in performance - this indicates a need for service.
- 21) When replacement parts are required, be sure the service technician uses replacement parts specified by the manufacturer that have the same characteristics as the original parts. Unauthorized substitutions may result in fire, electric shock, or other hazards.
- 22) **WARNING: TO REDUCE THE RISK OF FIRE OR ELECTRIC SHOCK, DO NOT EXPOSE THIS APPARATUS TO RAIN, MOISTURE, DRIPPING OR SPLASHING. DO NOT PLACE LIQUID CONTAINERS (FLOWER VASES, CUPS, COSMETICS, ETC.) ABOVE THE SET (INCLUDING ON SHELVES ABOVE, ETC.).**
- 23) **WARNING: SMALL PARTS CAN PRESENT CHOKING HAZARD IF ACCIDENTALLY SWALLOWED. KEEP SMALL PARTS AWAY FROM YOUNG CHILDREN. DISCARD UNNEEDED SMALL PARTS AND OTHER OBJECTS, INCLUDING PACKAGING MATERIALS AND PLASTIC BAGS/SHEETS TO PREVENT THEM FROM BEING PLAYED WITH BY YOUNG CHILDREN, CREATING THE POTENTIAL RISK OF SUFFOCATION.**
- 24) **WARNING: To prevent the spread of fire, keep candles or other open flames away from this product at all times.**
- 25) **WARNING: Do not place this TV in any medical institutions or locations with medical devices.**
Radio waves from this TV may interfere with the medical devices and cause accidents due to the malfunction. 
- 26) **WARNING: Do not use this TV near any automatic control devices such as automatic doors or fire alarms.**
Radio waves from this TV may interfere with the automatic control devices and cause accidents due to the malfunction.
- 27) **WARNING: Keep this TV away at least 9 inches (22 cm) from the location where a cardiac pacemaker is implanted.**
Radio waves from this TV may interfere with the operation of the pacemaker.
- 28) **CAUTION: The Power switch on this unit will not completely shut off all power from AC outlet. Since the power cord serves as the main disconnect device for the unit, you will need to unplug it from the AC outlet to shut down all power. Therefore, make sure the unit has been installed so that the power cord can be easily unplugged from AC outlet in case of an accident. To avoid fire hazard, the power cord should also be unplugged from the AC outlet when left unused for a long period of time (for example, when on vacation).**
- 29) **CAUTION: TO PREVENT ELECTRIC SHOCK, DO NOT USE THIS PLUG WITH A RECEPTACLE OR OTHER OUTLET UNLESS THE BLADES CAN BE FULLY INSERTED TO PREVENT BLADE EXPOSURE.**
- 30) **CAUTION: USE WITH OTHER STAND MAY RESULT IN INSTABILITY POSSIBLY CAUSING INJURY.**
- 31) **CAUTION: DANGER OF EXPLOSION IF BATTERY IS INCORRECTLY REPLACED. REPLACE ONLY WITH THE SAME OR EQUIVALENT TYPE.**

NOTE: This equipment is designed to operate in North America and other countries where the broadcasting system and AC house current are exactly the same as in North America.

WARNING/CAUTION (3D Eyewear)

WARNING

■ Accidental Ingestion

- **Keep 3D Eyewear parts in places out of the reach of children.**
There is a danger small children could swallow such parts by mistake.
 - If a child accidentally swallows such parts, seek immediate medical attention.

■ Place

- **Do not use 3D Eyewear in hospital or other medical facilities.**
Radio waves from 3D Eyewear may cause interference of medical equipments.
- **Do not use 3D Eyewear nearby automatic control equipments, like an automatic door, a fire alarm apparatus, etc.**
Radio waves from 3D Eyewear may cause interference of automatic control equipments.
- **Keep 3D Eyewear more than 9 inches (22 cm) away from the implant of cardiac pacemaker, or similar implantable medical equipments, at all times.**
Radio waves from 3D Eyewear may affect implantable cardiac pacemaker or similar equipment operations.

■ Disassembly

- **Do not disassemble or modify the 3D Eyewear.**

CAUTION

■ 3D Eyewear

- **Handle the 3D Eyewear carefully and store in the case when not in use.**
Failure to do so may damage the Eyewear and glass section, which may result in injury.

- **Handle the tips of the frame carefully when putting on the 3D Eyewear as inserting the tip of the frame into the eye may cause injury.**
- **Be careful not to close the hinge section of the 3D Eyewear on your finger.**
Doing so may result in injury.
 - Provide supervision when children are using this product.

■ Use of 3D Eyewear

- **Parents/guardians should monitor children's viewing habits to avoid their prolonged use without rest periods.**
- **In commercial application and public viewing, someone in authority should convey the precautions and monitor the user of the 3D Eyewear.**
- **Use only the 3D Eyewear recommended for this TV.**
- **Only use the 3D Eyewear for its intended 3D content viewing purpose.**
- **Do not move around while wearing the 3D Eyewear.**
The surrounding area appears dark, which may result in falling or other accidents that may cause injury.
- **Inspect the 3D Eyewear for damage before each use.**

■ Viewing of 3D Images

- **In the event that you experience dizziness, nausea, or other discomfort while viewing 3D images, discontinue use and rest your eyes.**
 - When you set the effect by using "3D adjustment", take into account that the vision of 3D images varies among different individuals.
- **Do not use if the 3D Eyewear is cracked or broken.**
- **Content for 3D viewing includes commercially available Blu-ray discs, 3D broadcasts, etc.**
- **When preparing your own 3D content, ensure that it is properly produced.**

FCC and IC STATEMENT

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the Panasonic Service Center or an experienced radio/TV technician for help.

FCC Caution: To assure continued compliance, follow the attached installation instructions and use only shielded interface cable with ferrite core when connecting to computer or peripheral devices. Any changes or modifications not expressly approved by Panasonic Corp. of North America could void the user's authority to operate this device.

FCC and Industry Canada (IC) RF Exposure Warning :

- This TV is provided with two USB ports on rear enclosure for exclusive dedicated use for insertion of the following optional transmitters: (1) Wireless LAN Adapter with FCC ID:H8N-WLU5150/IC ID:1353A-WLU5150; and (2) Bluetooth Adapter with FCC ID:NKR-DBUBP207/IC ID:4441A-DBUBP207.
- Other transmitters shall not be used, unless specifically recommended when they become available. Other third-party wireless transmitters have not been RF exposure evaluated for use with this TV and may not comply with FCC and IC RF exposure requirements.
- The above two described transmitters comply with FCC and IC radiation exposure limits set forth for an uncontrolled environment for mobile use with minimum 8 inches (20 cm) spacing requirement between transmitters and all person's body (excluding extremities of hands, wrist and feet) during wireless modes of operation.

<Only for Wi-Fi if capable of transmission in the 5.15 ~ 5.25 GHz frequency band>

This product is restricted to indoor use due to its operation in the 5.15 to 5.25 GHz frequency range.

FCC and IC require this product to be used indoors for the frequency range 5.15 to 5.25 GHz to reduce the potential for harmful interference to co-channel Mobile Satellite systems. High power radars are allocated as primary users of the 5.25 to 5.35 GHz and 5.65 to 5.85 GHz bands. These radar stations can cause interference with and/or damage this product.

FCC Declaration of Conformity

Models: TC-L47WT50, TC-L55WT50
Responsible Party: Panasonic Corporation of North America
One Panasonic Way, Secaucus, NJ 07094
Contact Source: Panasonic Consumer Marketing Company of North America
1-877-95-VIERA (958-4372)
email: consumerproducts@panasonic.com

This device complies with Part 15 of the FCC Rules and all applicable IC RSS standards. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

⚠ WARNING

Flat panel displays are not always supported on the proper stands or installed according to the manufacturer's recommendations. Flat panel displays that are inappropriately situated on dressers, bookcases, shelves, desks, speakers, chests, or carts may fall over and may cause personal injury or even death.

The consumer electronics industry (of which Panasonic is a member) is committed to making home entertainment enjoyable and safe. To prevent personal injury or death, be sure to follow the following safety guidelines:

TUNE INTO SAFETY:

- One size does NOT fit all. Follow the manufacturer's recommendations for the safe installation and use of your flat panel display.
- Carefully read and understand all enclosed instructions for proper use of this product.
- Don't allow children to climb on or play with furniture and television sets.
- Don't place flat panel displays on furniture that can easily be used as steps, such as a chest of drawers.
- Remember that children can become excited while watching a program, especially on "larger than life" flat panel displays. Care should be taken to install the display where it cannot be pushed, pulled over, or knocked down.
- Care should be taken to route all cords and cables connected to the flat panel display so that they cannot be pulled or grabbed by curious children.

WALL MOUNTING: IF YOU DECIDE TO WALL MOUNT YOUR FLAT PANEL DISPLAY, ALWAYS:

- Use a mount that has been recommended by the display manufacturer and/or listed by an independent laboratory (such as UL, CSA, ETL).
- Follow all instructions supplied by the display and wall mount manufacturers.
- If you have any doubts about your ability to safely install your flat panel display, contact your retailer about professional installation.
- Make sure the wall where you are mounting the display is appropriate. Some wall mounts are not designed to be mounted to walls with steel studs or old cinder block construction. If you are unsure, contact a professional installer.
- A minimum of two people are required for installation. Flat panel displays can be heavy.

Panasonic recommends that a qualified installer perform the wall-mount installation. See page 8.

The American Academy of Pediatrics discourages media viewing for children younger than two years. For more details, see www.aap.org.

■ When setting up the TV

- Two people are always required.
- For workers' safety, be sure to follow the assembly procedure on page 9 when attaching the pedestal. Failure to do this may also result in damage of the inside of the LCD panel.

■ When moving the TV

- The TV should be kept upright and held by two people when it is moved.
- Moving the TV with the LCD panel facing up or down may result in damage of inside of the LCD panel.

■ About built-in wireless LAN/Bluetooth

- To use the built-in wireless LAN, an access point needs to be obtained.
- Do not use the built-in wireless LAN to connect to any wireless network (SSID*) for which you do not have usage rights. Such networks may be listed as a result of searches. However, using them may be regarded as illegal access.
- Check that the Access point supports WPS*2.
(If it does not support WPS, the encryption key of the Access point is required when configuring settings.)
- Follow the instructions on the Access point setup screen and configure the appropriate security settings.
For more details on setting of Access point, please refer to operating manual for the Access point.
- We recommend using 11n (5 GHz) for the wireless system between the built-in wireless LAN and Access point. Communication is also possible with 11a, 11b, and 11g (2.4 GHz), but the communication speed may be slower.
- If the wireless system of the Access point is changed, devices that could connect by wireless LAN may no longer be able to connect.
- Data transmitted and received over radio waves may be intercepted and monitored.
- Keep the TV away from the following devices as much as possible:
Wireless LAN, microwaves, and other devices that use 2.4 GHz and 5 GHz signals. Otherwise, the TV failures such as malfunction may occur due to the radio wave interference.
- When noises occur due to the static electricity, etc., the TV might stop operating for the protection of the devices. In this case, turn the TV Off with power On / Off switch, then turn it On again.

*1 SSID is a name for identifying a particular wireless network for transmission.

*2 WPS: Wi-Fi Protected Setup

Accessories/Optional Accessories

Accessories

Check you have all the items shown.

Accessories

- Remote Control Transmitter
 - N2QAYB000777

- Batteries for the Remote Control Transmitter/ Touch Pad Controller (4)
 - AA Battery

- Pedestal

- Power cord

- VIERA Touch Pad Controller
 - N2QBYB000015

- Component/AV adapter
 - K2KYYYY00199

- Cable clasper

- Owner's Manual
- Quick Start Guide
- Child safety
- Product Registration Card (U.S.A.)

Optional Accessories

Please contact your nearest Panasonic dealer to purchase the recommended optional accessories. For additional details, please refer to the optional accessories installation manual.

3D Eyewear

(Rechargeable type)

- TY-ER3D4SU
- TY-ER3D4MU

- Use Panasonic 3D Eyewear supporting Bluetooth wireless technology.
- Product information (Model No. and release date etc.) is subject to change without notice.
- For more product information (USA) <http://www.panasonic.com> (Canada) <http://panasonic.ca> (Global reference) <http://panasonic.net/avc/viera>

Communication Camera

- TY-CC20W

- This camera can be used with VIERA Connect.
- It is recommended to connect the communication camera directly to the TV's USB2 ports.
- For details, read the manual for the Communication Camera.

Wall-hanging bracket

Please contact a professional installer to purchase the recommended UL qualified wall-hanging bracket. For additional details, please refer to the wall-hanging bracket installation manual.

Back of the TV

Holes for wall-hanging bracket installation

Screw for attaching the TV to the wall-hanging bracket (not supplied with the TV)

Depth of screw:
Minimum: 0.24" (6.0 mm)
Maximum: 0.31" (8.0 mm)

(View from the side)

WARNING

- Always be sure to ask a qualified technician to carry out set-up.
- Do not mount the unit directly below ceiling lights (such as spotlights, floodlights or halogen lights) that typically give off high heat. Doing so may warp or damage plastic cabinet parts.
- Take care when fixing wall brackets to the wall. Always ensure that there are no electrical cables or pipes in the wall before hanging bracket.
- To prevent fall and injury, remove the TV from its fixed wall position when it is no longer in use.
- Incorrect wall-hanging bracket or incorrect fitting may cause equipment to fall, resulting in injury and product damage.
- Panasonic disclaims liability for any damage or injury arising from incorrect wall-hanging bracket, incorrect fitting or otherwise failure to follow the above instructions.

Attaching the pedestal to TV

Accessories

Assembly screws

- XSS5+15FNK (black) size (M5 x 15) (4)

- XYN4+F10FJK (black) size (M4 x 10) (4)

- XYN4+F10FN (silver) size (M4 x 10) (2) (included with Cover)

Bracket (1)

- TBL5ZA32771

Cover (1)

- TBL5ZB32331

Base (1)

- TBL5ZX04001

Two people are always required for attachment.

Preparation for assembly

- Unpack the pedestal and the TV, turn them so that their front surfaces face down, and put them on a blanket or such other cloth spread out on a workbench or desk.
- Turn the front side of package to the workbench when unpacking the TV.
- Choose a stable workbench that is larger than the TV and use a clean blanket or cloth that has no dirt or foreign matter on it.
- Do not hold the LCD panel when holding the TV.
- Be careful not to scratch or damage the TV.

Assembling the pedestal

- Attach the Bracket to the protrusion of Neck.
- Make sure that the bracket is anchored before fixing the screws.
- Fix securely with assembly screws (A) (4 screws)

Set-up

① Attach the pedestal

- Align the three tabs on the bracket with the grooves on the back of the TV and insert them.
- Check that the center tab is in the hole, and then slide in the bracket so that the arrow (↓) on the back of the TV is aligned with the arrow (↑) on the bracket.
- Tighten assembly screws (B) (total 4 screws) loosely at first, then tighten them firmly to fix securely.

② Attach the bracket cover

- Attach the bracket cover and fix securely with assembly screw (C) (total 2 screws).
- Tighten screws firmly.

③ Set the pedestal

- As shown in the figure, two people should hold the specified portions of the TV, raise and set up the TV.

Removing the pedestal from the TV

Be sure to remove the pedestal in the following way when using the wall-hanging bracket or repacking the TV.

- ① Spread out a blanket or other such soft material onto a work surface such as a desk, and place the TV screen side down on the blanket.
- ② To work safely, hold the TV as described in ③ of Set-up (p. 9) and place it on a workbench.
- ③ Remove the assembly screw (C) from the cover.
- ④ Pull out the cover.
- ⑤ Remove the assembly screws (B) from the TV.
- ⑥ Pull out the pedestal from the TV.
- ⑦ Remove the assembly screws (A) from the bracket.

WARNING

Do not disassemble or modify the pedestal.

- Otherwise, the TV may fall over and become damaged, and personal injury may result.

Caution

Do not use any pedestal other than that provided with this TV.

- Otherwise, the TV may fall over and become damaged, and personal injury may result.

Do not use the pedestal if it becomes warped or physically damaged.

- If you use the pedestal when it is physically damaged, personal injury may result. Contact your nearest Panasonic Dealer immediately.

During set-up, make sure that all screws are securely tightened.

- If sufficient care is not taken to ensure screws are properly tightened during assembly, the pedestal will not be strong enough to support the TV, and it might fall over and become damaged, and personal injury may result.

When removing the pedestal, do not remove the pedestal by any methods other than the specified procedure. (Above)

- Otherwise, the TV and/or pedestal may fall over and become damaged, and personal injury may result.

Location

Place the TV at a comfortable distance for viewing. Avoid placing it where sunlight or other bright light (including reflections) will fall on the screen. Use of some types of fluorescent lighting can reduce remote control transmitter range. Adequate ventilation is essential to prevent an internal component failure. Keep away from areas of excessive heat or moisture.

Adjust the LCD panel to your desired angle.

- TC-L47WT50
a: 11.7" (295 mm)
b: 28.9" (734 mm)
- TC-L55WT50
a: 13.4" (339 mm)
b: 28.9" (734 mm)

Note

- Ensure that the pedestal does not hang over the edge of the base even if the TV swivels to the full rotation range.
- Do not place any objects or hands within the full rotation range.

Power cord connection

Insert the power cord plug (included) firmly into place.

- When disconnecting the power cord, be absolutely sure to disconnect the power cord plug from the wall outlet first.
- The included power cord is for use with this unit only.

Installing the remote's batteries

Caution

- Incorrect installation may cause battery leakage and corrosion, resulting in damage to the remote control.
- Do not mix old and new batteries.
- Do not mix different battery types (such as alkaline and manganese batteries).
- Do not use rechargeable (Ni-Cd) batteries.
- Do not burn or break batteries.

Connections

Connection Panels

Antenna or Cable connection

VHF/UHF Antenna

- NTSC (National Television System Committee): ATSC (Advanced Television Systems Committee): Digital TV Standards include digital high-definition television (HDTV), standard-definition television (SDTV), data broadcasting, multi-channel surround sound audio and interactive television.

Cable

- You need to subscribe to a cable TV service to enjoy viewing their programming.
 - You may need to subscribe to a high-definition (HD) cable service to enjoy HD programming.
- The connection for high-definition can be done with the use of an HDMI or Component Video cable. (p. 12)

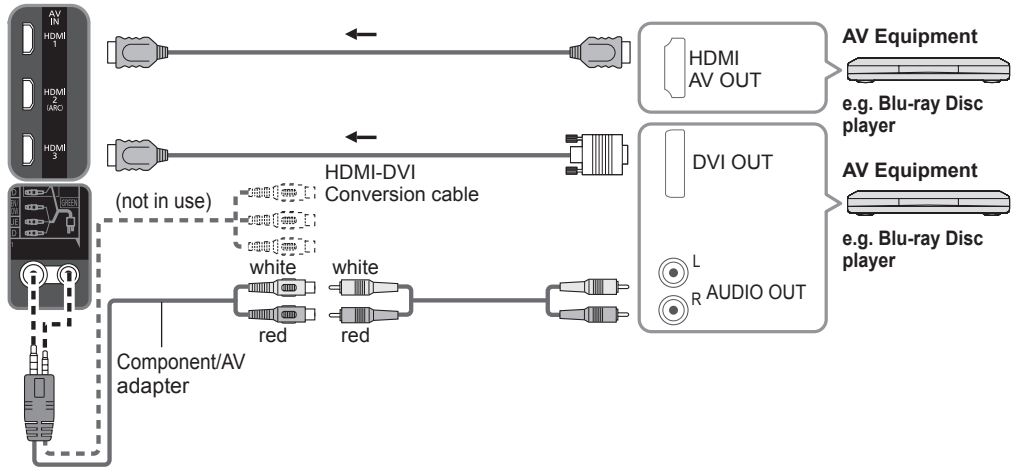

Note

- When using a Cable box, external equipment and video cables shown in this manual are not supplied with the TV.
- When disconnecting the power cord, be absolutely sure to disconnect the power cord plug from the wall outlet first.
- For additional assistance, visit us at: www.panasonic.com/help
www.panasonic.ca

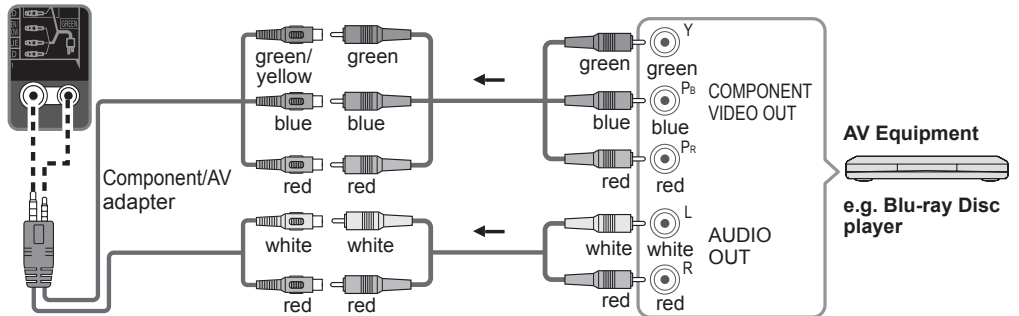

AV cable connection

A To use HDMI terminals

B To use COMPONENT terminals

C To use COMPOSITE terminals

Note

- In some cases, it is not possible to connect depending on the type of cable or equipment.
- The Green/Yellow terminal is shared for both the COMPONENT and COMPOSITE (VIDEO IN) connection. When using COMPOSITE (VIDEO IN) connection, the Yellow connector (Video) should be inserted into Green/Yellow connection.

Input select:

(For more details, please refer to eHELP (p. 19).)

Audio connection

PC / Computer connection (VGA)

Cable Binding Instructions

(image)

- Do not bundle the Antenna cable and AC cord together (could cause distorted image).
- Fasten the cables with the Cable clamer as necessary.
- When using the options, follow the option's assembly manual to fix cables.

Identifying Controls

TV controls/indicators

Front of the TV

Back of the TV

- An image of the control panel is displayed on the screen while using it.

Note

- The TV consumes a small amount of electric energy even when turned off.
- Do not place any objects between the TV remote control sensor and remote control.

Remote control

VIERA Touch Pad Controller

The Touch Pad Controller is designed to facilitate TV operation, such as when accessing VIERA Connect or the Browser with the Touch Pad and free pointing system. It also covers other TV operations as a Remote controller.

- The Touch Pad Controller must be pointed toward the TV to turn on the power.
(Only the Power-on switch works at first.)
- The TV can be paired with one Touch Pad Controller only.
- Pair the Touch Pad Controller (p. 17)

■Parts names and functions

- These operations differ depending on the situation or condition.

Transmission Range:

Use the Touch Pad Controller within the range of 10.5 feet (3.2 m) from front surface of the TV.

The range may be shortened if there are any obstacles or can be affected by the surrounding environment or building structure.

■Installing the remote's batteries

About caution for batteries, refer to p.10.

■ Operating Touch Pad Controller

Touch Pad operations

Tap:
Tap center of the pad to "OK"

Swipe:
Slide your finger to swipe.

Trace the fringe to scroll.

- Some operations differ depending on the application.

Remote control with on-screen menu

Pressing and holding down the On screen remote button displays the remote control panel. This will enable you to operate it as a Remote Controller.

(example)

- To change the display position (Right/Left)
 - ➔ Press On screen remote button
- To change the panel pattern
 - ➔ Slide your finger (Swipe) to the right or left on the Touch Pad

First Time Setup

The first time setup screen is displayed only when the TV is turned on for the first time, after the power cord is inserted into a wall outlet and the “Auto power on” is set to “No”.

(Press **MENU** → **Setup** → **Advanced setup** → **Auto power on**)

1 Turn the TV on with the POWER button

2 Setup the following items

- **Select your language**
- **Select your country**
- **Select your viewing mode (Be sure to select “Home Use”)**

If you select “Store Demonstration” by mistake, confirmation screen will be displayed. To display the “Set viewing mode” screen again and select “Home Use”, do one of the following:

 - Press and hold down the rear POWER button for at least five seconds.
 - Unplug power cord for 30 seconds and plug in again.
- **ANT/Cable setup**

Select and set the settings according to your ANT/Cable environment. Select “Yes” on the confirmation screen, to start the scanning process. After scanning is finished completely, press OK to continue.
- **Label the inputs for easy identification**

To name each input, follow the instructions on screen. When this is done, select NEXT and press OK to go to the next step.
- **Configure Network settings**

Select the Network type and select the setting mode. If you select “Wireless (WiFi)”, start “Wireless network settings”. Select “Automatic” or set “Manual” setting, start connection test. When you complete “Network settings” successfully, the completion screen will be displayed.
- **Adjust the Clock**

Select the clock mode and set other settings. When “Auto” is selected, clock will be set automatically according to Time zone and DST.
- **Pair the Touch Pad Controller**

To pair the Touch Pad Controller, hold the touch pad within 1.6 feet (50 cm) of the TV and simultaneously press and hold the Right button and INTERNET button on the Touch Pad Controller following the instructions on screen. Then, follow the instructions on screen to complete the pairing. When you complete this setting successfully, the completion message will be displayed. It also displays some operation methods such as Tap, Swipe and Trace the fringe to scroll, etc. Tap (or press OK) to continue to next step.

 - To repeat these settings: **Setup** → **VIERA Touch Pad settings**

3 Complete First time setup

Completion screen is displayed.

You can repeat the First time setup

- Press **MENU** → **Setup** → **First time setup**

To watch TV via a Cable box, Satellite receiver, or any other source (DVD, DVR, gaming device, etc.), press the INPUT button and select the appropriate input.

Viewing 3D images on TV

Precautions for Viewing 3D Images

■ Cautions During Viewing

- Do not use devices that emit strong electromagnetic waves (such as cellular phones or personal transceivers) near the 3D Eyewear. Doing so may cause the 3D Eyewear to malfunction.
- If the 3D Eyewear is used in a room in which fluorescent lights (50 Hz) are used, the light within the room may appear to flicker. In this case, either darken or switch off the fluorescent lights when using the 3D Eyewear.
- Wear the 3D Eyewear correctly. 3D images will not appear correctly if the 3D Eyewear is worn upside down or back-to-front.

■ For comfortable viewing

- View from at least the recommended distance (3 times the effective height of the screen),
Recommended Distance:

For a 47-inch television, 5.91' (1.8 m) or more. For a 55-inch television, 6.89' (2.1 m) or more.

When the top and bottom area of the screen are blackened, such as when playing movies, view the screen at a distance 3 times further than the height of the actual image. (That makes the viewing distance closer than above recommended distance.)

- Stop using the 3D Eyewear immediately if your skin feels unusual.
In rare cases, the paint or materials used in the 3D Eyewear may cause an allergic reaction.
- Stop using the 3D Eyewear immediately if you experience any redness, pain, or itching on the nose or temples.
Prolonged use may cause such symptoms due to excess pressure, which may result in the user feeling unwell.
- Use the 3D Eyewear where there is no interference from other devices with Bluetooth® signals.

Viewing 3D images

The following 3D content can be enjoyed on this TV:

- A 3D Blu-ray disc, played on 3D capable Blu-ray player/recorder that is connected via HDMI cable.
- 3D TV broadcast (program)
- 3D Photo and 3D Movie taken by LUMIX/Camcorder.
- 3D game played on 3D capable video game console, connected via HDMI cable.

Optional Accessories (p. 8)

* For more detail on usage of 3D Eyewear (POWER button, Accessories and how to register, etc.), please refer to operating manuals for the purchased 3D Eyewear. 3D experience differs depending on the type of 3D Eyewear.

1

Using the 3D Eyewear

- ① Turn on the 3D Eyewear.
- ② Make sure that registration is finished completely.
- ③ Put on the 3D Eyewear.

2

Viewing 3D images

When the HDMI receives information in which 3D mode is detected, 3D images are automatically displayed according to the signal.

If the 3D images are not displayed correctly, or if the images cause discomfort, the images can be adjusted by "3D format select" or "3D settings".

- Change the view 3D⇔2D, 3D settings.

3

After Use

- ① Turn off the 3D Eyewear.
- ② After using the 3D Eyewear, store it in the case.

Change the view 3D⇔2D

■ Simply switches 3D ⇔ 2D images (Auto mode)

Using eHELP (Built-in Manual)

eHELP (built-in manual) helps you understand how to easily operate the TV features by pressing the HELP button.

1 Display eHELP

When you enter eHELP again after exit, the confirmation screen is displayed while the TV is turned on. You can select "TOP PAGE" or "LAST PAGE".

- The eHELP icon is also available through VIERA TOOLS.

2 Select the desired page from the menu

Categories

Menus

Sub menu

Desired page

RETURN

To return to the previous menu/layer

EXIT

To exit eHELP

3 Operate eHELP

Display the Menu related to the explanation page after exiting eHELP.

"Go to Menu" is available depending on the situation or condition.

Frequently Asked Questions (FAQ)

Questions	Answers
Why doesn't the Remote Control work?	<ul style="list-style-type: none">● Check that the batteries are fresh, are of the same type and are installed with the correct polarity (+ & -).● Point the remote control directly at the TV's remote control sensor.● To operate other devices, such as changing channels when using Cable, or Satellite boxes, or operating non-Panasonic Blu-ray players, use the remote supplied with the device.
Why doesn't the Touch Pad Controller work?	<ul style="list-style-type: none">● Check that the batteries are fresh, are of the same type and are installed with the correct polarity (+ & -).● Check if the pairing range is within 1.6 feet (50 cm).● Check if the Touch Pad Controller is pointed toward the TV to turn on the power.
Why is there no picture or just a blue, black or snowy screen being displayed?	<ul style="list-style-type: none">● Check if the power cord is plugged in and the TV is turned on (front red LED light should be on, not blinking).● Press the INPUT button on the remote to select the correct input source.● Ensure all connections are correct and secure.● When using external video source, such as a Cable/Satellite box or DVD player, check that the device is on and functioning correctly.● Press MENU on the TV's remote control. If the menu is displayed, then the TV is working; recheck above steps.
Why is the screen blank and the power indicator blinking?	<ul style="list-style-type: none">● The TV has gone into shutdown mode to protect itself. Try unplugging it for a few minutes and connecting it again. If there was a temporary power surge on the AC line it may now be OK. If the blinking returns, call 1-877-95-VIERA (U.S.A.) or 1-866-330-0014 (Canada).
How do I display eHELP (built-in Manual) ?	<ul style="list-style-type: none">● Press HELP on the TV's remote control to display eHELP. (p. 19)

Care and Cleaning

First, unplug the Power cord plug from the wall outlet.

Display panel

The front of the display panel has been specially treated. Wipe the panel surface gently using only a cleaning cloth or a soft, lint-free cloth.

- If the surface is particularly dirty, after cleaning up the dust, soak a soft, lint-free cloth in diluted, mild liquid dish soap (1 part mild liquid dish soap diluted by 100 times the amount of water), and then wring the cloth to remove excess liquid. Use this cloth to wipe the surface of the display panel, then wipe it evenly with a dry cloth of the same type until the surface is dry.
- Do not scratch or hit the surface of the panel with fingernails or other hard objects. Furthermore, avoid contact with volatile substances such as insect sprays, solvents, and thinner; otherwise, the quality of the surface may be adversely affected.

Cabinet

If the cabinet becomes dirty, wipe it with a soft, dry cloth.

- If the cabinet is particularly dirty, soak the cloth in diluted, mild liquid dish soap and then wring the cloth dry. Use this cloth to wipe the cabinet and then wipe it dry with a dry cloth.
- Do not allow any mild liquid dish soap to come into direct contact with the surface of the LCD TV. If water droplets get inside the unit, operating problems may result.
- Avoid contact with volatile substances such as insect sprays, solvents, and thinner; otherwise, the quality of the cabinet surface may be adversely affected or the coating may peel off.
- Do not let articles made from rubber or PVC be in contact with the TV for long periods of time.

Pedestal

● Cleaning

Wipe the surfaces with a soft, dry cloth. If the unit is particularly dirty, clean it using a cloth soaked with water to which a small amount of mild liquid dish soap has been added and then wipe with a dry cloth.

Do not use products such as solvents, thinner, or household wax for cleaning, as they can damage the surface coating. (If using a chemically-treated cloth, follow the instructions supplied with the cloth.)

- Do not attach sticky tape or labels, as they can make the surface of the pedestal dirty. Do not allow long-term contact with rubber, vinyl products, or the like. (Doing so will cause deterioration.)

Power cord plug

Wipe the plug with a dry cloth at regular intervals. (Moisture and dust can lead to fire or electrical shock.)

Limited Warranty (for U.S.A. and Puerto Rico only)

Panasonic Consumer Marketing Company of North America,
Division of Panasonic Corporation of North America
One Panasonic Way
Secaucus, New Jersey 07094

Panasonic LCD Television Limited Warranty

Limited Warranty Coverage

If your product does not work properly because of a defect in materials or workmanship, Panasonic Consumer Marketing Company of North America (referred to as "the warrantor") will, for the length of the period indicated on the chart below, which starts with the date of original purchase ("Limited Warranty period"), at its option either (a) repair your product with new or refurbished parts, (b) replace it with a new or a refurbished equivalent value product, or (c) refund your purchase price. The decision to repair, replace or refund will be made by the warrantor.

LCD TV CATEGORIES	PARTS	LABOR	SERVICE
Up to 42" (diagonal)	1 (ONE) YEAR	1 (ONE) YEAR	Carry-In
46" (diagonal) and larger			On-Site

During the "Labor" Limited Warranty period there will be no charge for labor. During the "Parts" Limited Warranty period, there will be no charge for parts.

You must carry-in your product or arrange for on-site service during the Limited Warranty period. If non-rechargeable batteries are included, they are not warranted. This Limited Warranty only applies to products purchased and serviced in the United States or Puerto Rico. This Limited Warranty is extended only to the original purchaser of a new product which was not sold "as is". A purchase receipt or other proof of the original purchase date is required for Limited Warranty service.

On-Site or Carry-In Service

For On-Site or Carry-In Service in the United States and Puerto Rico call 1-877-95-VIERA (1-877-958-4372).

On-site service where applicable requires clear, complete and easy access to the product by the authorized servicer and does not include removal or re-installation of an installed product. It is possible that certain on-site repairs will not be completed on-site, but will require that the product or parts of the product, at the servicer's discretion be removed for shop diagnosis and/or repair and then returned.

Limited Warranty Limits And Exclusions

This Limited Warranty ONLY COVERS failures due to defects in materials or workmanship, and DOES NOT COVER normal wear and tear or cosmetic damage, nor does it cover markings or retained images on the glass panel resulting from viewing fixed images (including, among other things, non-expanded standard 4:3 pictures on wide screen TVs, or onscreen data in a stationary and fixed location). The Limited Warranty ALSO DOES NOT COVER damages which occurred in shipment, or failures which are caused by products not supplied by the warrantor, or failures which result from accidents, misuse, abuse, neglect, bug infestation, mishandling, misapplication, alteration, faulty installation, set-up adjustments, misadjustment of consumer controls, improper maintenance, power line surge, lightning damage, modification, or commercial use (such as in a hotel, office, restaurant, or other business), rental use of the product, service by anyone other than a Factory Service Center or other Authorized Servicer, or damage that is attributable to acts of God.

THERE ARE NO EXPRESS WARRANTIES EXCEPT AS LISTED UNDER "LIMITED WARRANTY COVERAGE". THE WARRANTOR IS NOT LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES RESULTING FROM THE USE OF THIS PRODUCT, OR ARISING OUT OF ANY BREACH OF THIS LIMITED WARRANTY. (As examples, this excludes damages for lost time, cost of having someone remove or re-install an installed unit if applicable, or travel to and from the servicer. The items listed are not exclusive, but are for illustration only.) **ALL EXPRESS AND IMPLIED WARRANTIES, INCLUDING THE LIMITED WARRANTY OF MERCHANTABILITY, ARE LIMITED TO THE PERIOD OF THE LIMITED WARRANTY.**

Some states do not allow the exclusion or limitation of incidental or consequential damages, or limitations on how long an implied Limited Warranty lasts, so the exclusions may not apply to you.

This Limited Warranty gives you specific legal rights and you may also have others rights which vary from state to state. If a problem with this product develops during or after the Limited Warranty period, you may contact your dealer or Service Center. If the problem is not handled to your satisfaction, then write to the warrantor's Consumer Affairs Department at the addresses listed for the warrantor.

PARTS AND SERVICE (INCLUDING COST OF AN ON-SITE SERVICE CALL, WHERE APPLICABLE) WHICH ARE NOT COVERED BY THIS LIMITED WARRANTY ARE YOUR RESPONSIBILITY.

Limited Warranty (for Canada)

Panasonic Canada Inc.
5770 Ambler Drive, Mississauga, Ontario L4W 2T3
PANASONIC PRODUCT – LIMITED WARRANTY

Panasonic Canada Inc. warrants this product to be free from defects in material and workmanship under normal use and for a period as stated below from the date of original purchase agrees to, at its option either (a) repair your product with new or refurbished parts, (b) replace it with a new or a refurbished equivalent value product, or (c) refund your purchase price. The decision to repair, replace or refund will be made by Panasonic Canada Inc.

Viera TV (46" & over)	In-home service	One (1) year, parts (including panel) and labour.
Viera TV (under 46")	Carry-in service	One (1) year, parts (including panel) and labour.

In-home Service will be carried out only to locations accessible by roads and within 50 km of an authorized Panasonic service facility.

In-home service requires clear, complete and easy access to the product by the Authorized Servicer and does not include removal or re-installation of an installed product. If removal is required to service the product, it will be at the discretion of the Servicer and in no event will Panasonic Canada Inc. or the Servicer be liable for any special, indirect or consequential damages.

This warranty is given only to the original purchaser, or the person for whom it was purchased as a gift, of a Panasonic brand product mentioned above sold by an authorized Panasonic dealer in Canada and purchased and used in Canada, which product was not sold "as is", and which product was delivered to you in new condition in the original packaging.

IN ORDER TO BE ELIGIBLE TO RECEIVE WARRANTY SERVICE HEREUNDER, A PURCHASE RECEIPT OR OTHER PROOF OF DATE OF ORIGINAL PURCHASE, SHOWING AMOUNT PAID AND PLACE OF PURCHASE IS REQUIRED

LIMITATIONS AND EXCLUSIONS

This warranty ONLY COVERS failures due to defects in materials or workmanship, and DOES NOT COVER normal wear and tear or cosmetic damage. The warranty ALSO DOES NOT COVER damages which occurred in shipment, or failures which are caused by products not supplied by Panasonic Canada Inc., or failures which result from accidents, misuse, abuse, neglect, mishandling, misapplication, alteration, faulty installation, set-up adjustments, misadjustment of consumer controls, improper maintenance, power line surge, lightning damage, modification, introduction of sand, humidity or liquids, commercial use such as hotel, office, restaurant, or other business or rental use of the product, or service by anyone other than a Authorized Servicer, or damage that is attributable to acts of God. Dry cell batteries are also excluded from coverage under this warranty.

THIS EXPRESS, LIMITED WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. IN NO EVENT WILL PANASONIC CANADA INC. BE LIABLE FOR ANY SPECIAL, INDIRECT OR CONSEQUENTIAL DAMAGES RESULTING FROM THE USE OF THIS PRODUCT OR ARISING OUT OF ANY BREACH OF ANY EXPRESS OR IMPLIED WARRANTY. (As examples, this warranty excludes damages for lost time, travel to and from the Authorized Servicer, loss of or damage to media or images, data or other memory or recorded content. This list of items is not exhaustive, but for illustration only.)

In certain instances, some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, or the exclusion of implied warranties, so the above limitations and exclusions may not be applicable. This warranty gives you specific legal rights and you may have other rights which vary depending on your province or territory.
